

# Overview

**EDF Renewables North America is a project developer, owner, and operator with end-to-end solutions for every market...**

As developer, owner and operator of one of the largest renewable energy portfolios and second largest project pipeline on the continent, EDF Renewables is active in every market across North America.

With our history of innovation, and deep experience developing and operating renewable energy assets, we bring a full-suite of solutions for grid-scale, distribution-scale, asset optimization and onsite energy.

Our outstanding capabilities allow us to utilize our in-house experts, providing maximal efficiency and end-to-end oversight of any size of energy project.

**...with the capabilities, financial strength and global footprint to help you secure your energy future.**
